

Dog Days—A Doggie Daycare

Requirements All Dogs Must Be:

1. **Healthy**
2. **Spayed or Neutered by 8 months of age**
3. **Social to other dogs and Responsive to human commands (or working on it!)**
4. **On Flea/Tick Treatment (we prefer Advantage, Frontline, or Bio-Spot)**
 - o Naturopathic remedies are allowed, but we must feel comfortable with your preventative or treatment.
 - o If we find fleas on your dog, we will bathe it at your expense.
5. **Current on Vaccinations/Vet Care**
 - a. **REQUIRED**
 - i. Distemper Parvo Vaccine Series—within 12 months (we do accept titers)
 - ii. Rabies—within 12 months (required by AR law)
 - iii. Kennel Cough (Bordatella) within 6 months
 - iv. Heartworm Preventative (monthly tablet)
 - v. Veterinary care as we see appropriate (i.e. if we notice worms in your dogs stool, we require you to get medication from your vet prior to your dog's return to daycare).
 - b. **RECOMMENDED BUT NOT REQUIRED**
 - i. Lyme vaccine
 - ii. Corona vaccine
 - iii. Annual Fecal Test and/or wormers
6. **Not wearing Flea/Tick Collars (for the health and safety of their doggie wrestling buddies—you wouldn't like the taste of a flea collar either!)**
7. **Wearing Identification Tags. We will provide a tag for your dog at no charge.**
